

**The Boston Project Ministries
Artists in Action Program Coordinator
(Full-Time, Seasonal)
Job Description**

The Organization

Mission: The Boston Project Ministries [TBPM] is a non-profit Christian community development organization, which engages and equips neighbors, volunteers, and congregations to build strong communities characterized by God's shalom. We are located in the Talbot-Norfolk Triangle [TNT] neighborhood in Dorchester's Codman Square section of Boston, serving the 600+ families in our 14-streets. We run a host of relational-based Youth & Family programs from our Neighborhood Ministry House, including leadership development programs, teen employment, youth Bible studies, and a summer park program. We also provide capacity-building support to local civic associations, public health efforts, green space, and public art efforts. Finally, we assist homeowners, seniors, and partner organizations by mobilizing 200+ volunteers a year in community improvement projects and serving families. Together, these initiatives are leading to individual and community transformation.

Program Description

The Artists in Action is a six-week summer program that employs youth (ages 15-19) to work on creative art, place-making projects that engage community children, youth, and older residents. This program brings together the visual and performing arts as a strategy to promote shalom (peace, justice, healing, wholeness) in the community. Youth will work alongside professional artists to create visual art pieces (murals, benches, tile mosaics) and performances (spoken word, step, etc.) that express young people's unique perspectives. The Artists in Action may also teach art to children one day per week and work alongside other youth teams, enhancing their program messaging. The Artists in Action will be involved in planning The Big Event, our summer closing showcase attended by 250-300 neighbors.
